

“Caring Cases”

Ivy Creek Healthcare is on a mission to make sure each child gets a suitcase to carry their belongings in.

We are encouraging each Ivy Creek Healthcare department to participate, but we need community involvement to make this a success.

“Caring Cases” is a project dedicated to giving a nice, new, age-appropriate suitcase to each child just entering the Elmore County Foster Care System. Unfortunately, Social Services/Department of Human Resources does not have the financial means to purchase suitcases or duffel bags to pack a child's belongings into before placement into foster care. In most cases, this is a quick transition so time is of the essence.

Our goal is to collect 100 suitcases. Each time a child goes into Foster Care they will be issued a new, age-appropriate piece of luggage!

This is a great opportunity for our Elmore Community. Churches, family, friends, groups and co-workers to work together on a wonderful service project!

Here are the guidelines:

♥ **All suitcases should be new (we can't ensure good 'used' are hygienic for them)**

♥ **Preferably the kind you can pull with wheels (as pictured)**

♥ **We need a variety of sizes, colors, some with characters, etc.**

♥ **All donations can be brought to the ECH Marketing Department (left end of hospital) or for your convenience, Mail to:**
